Aim

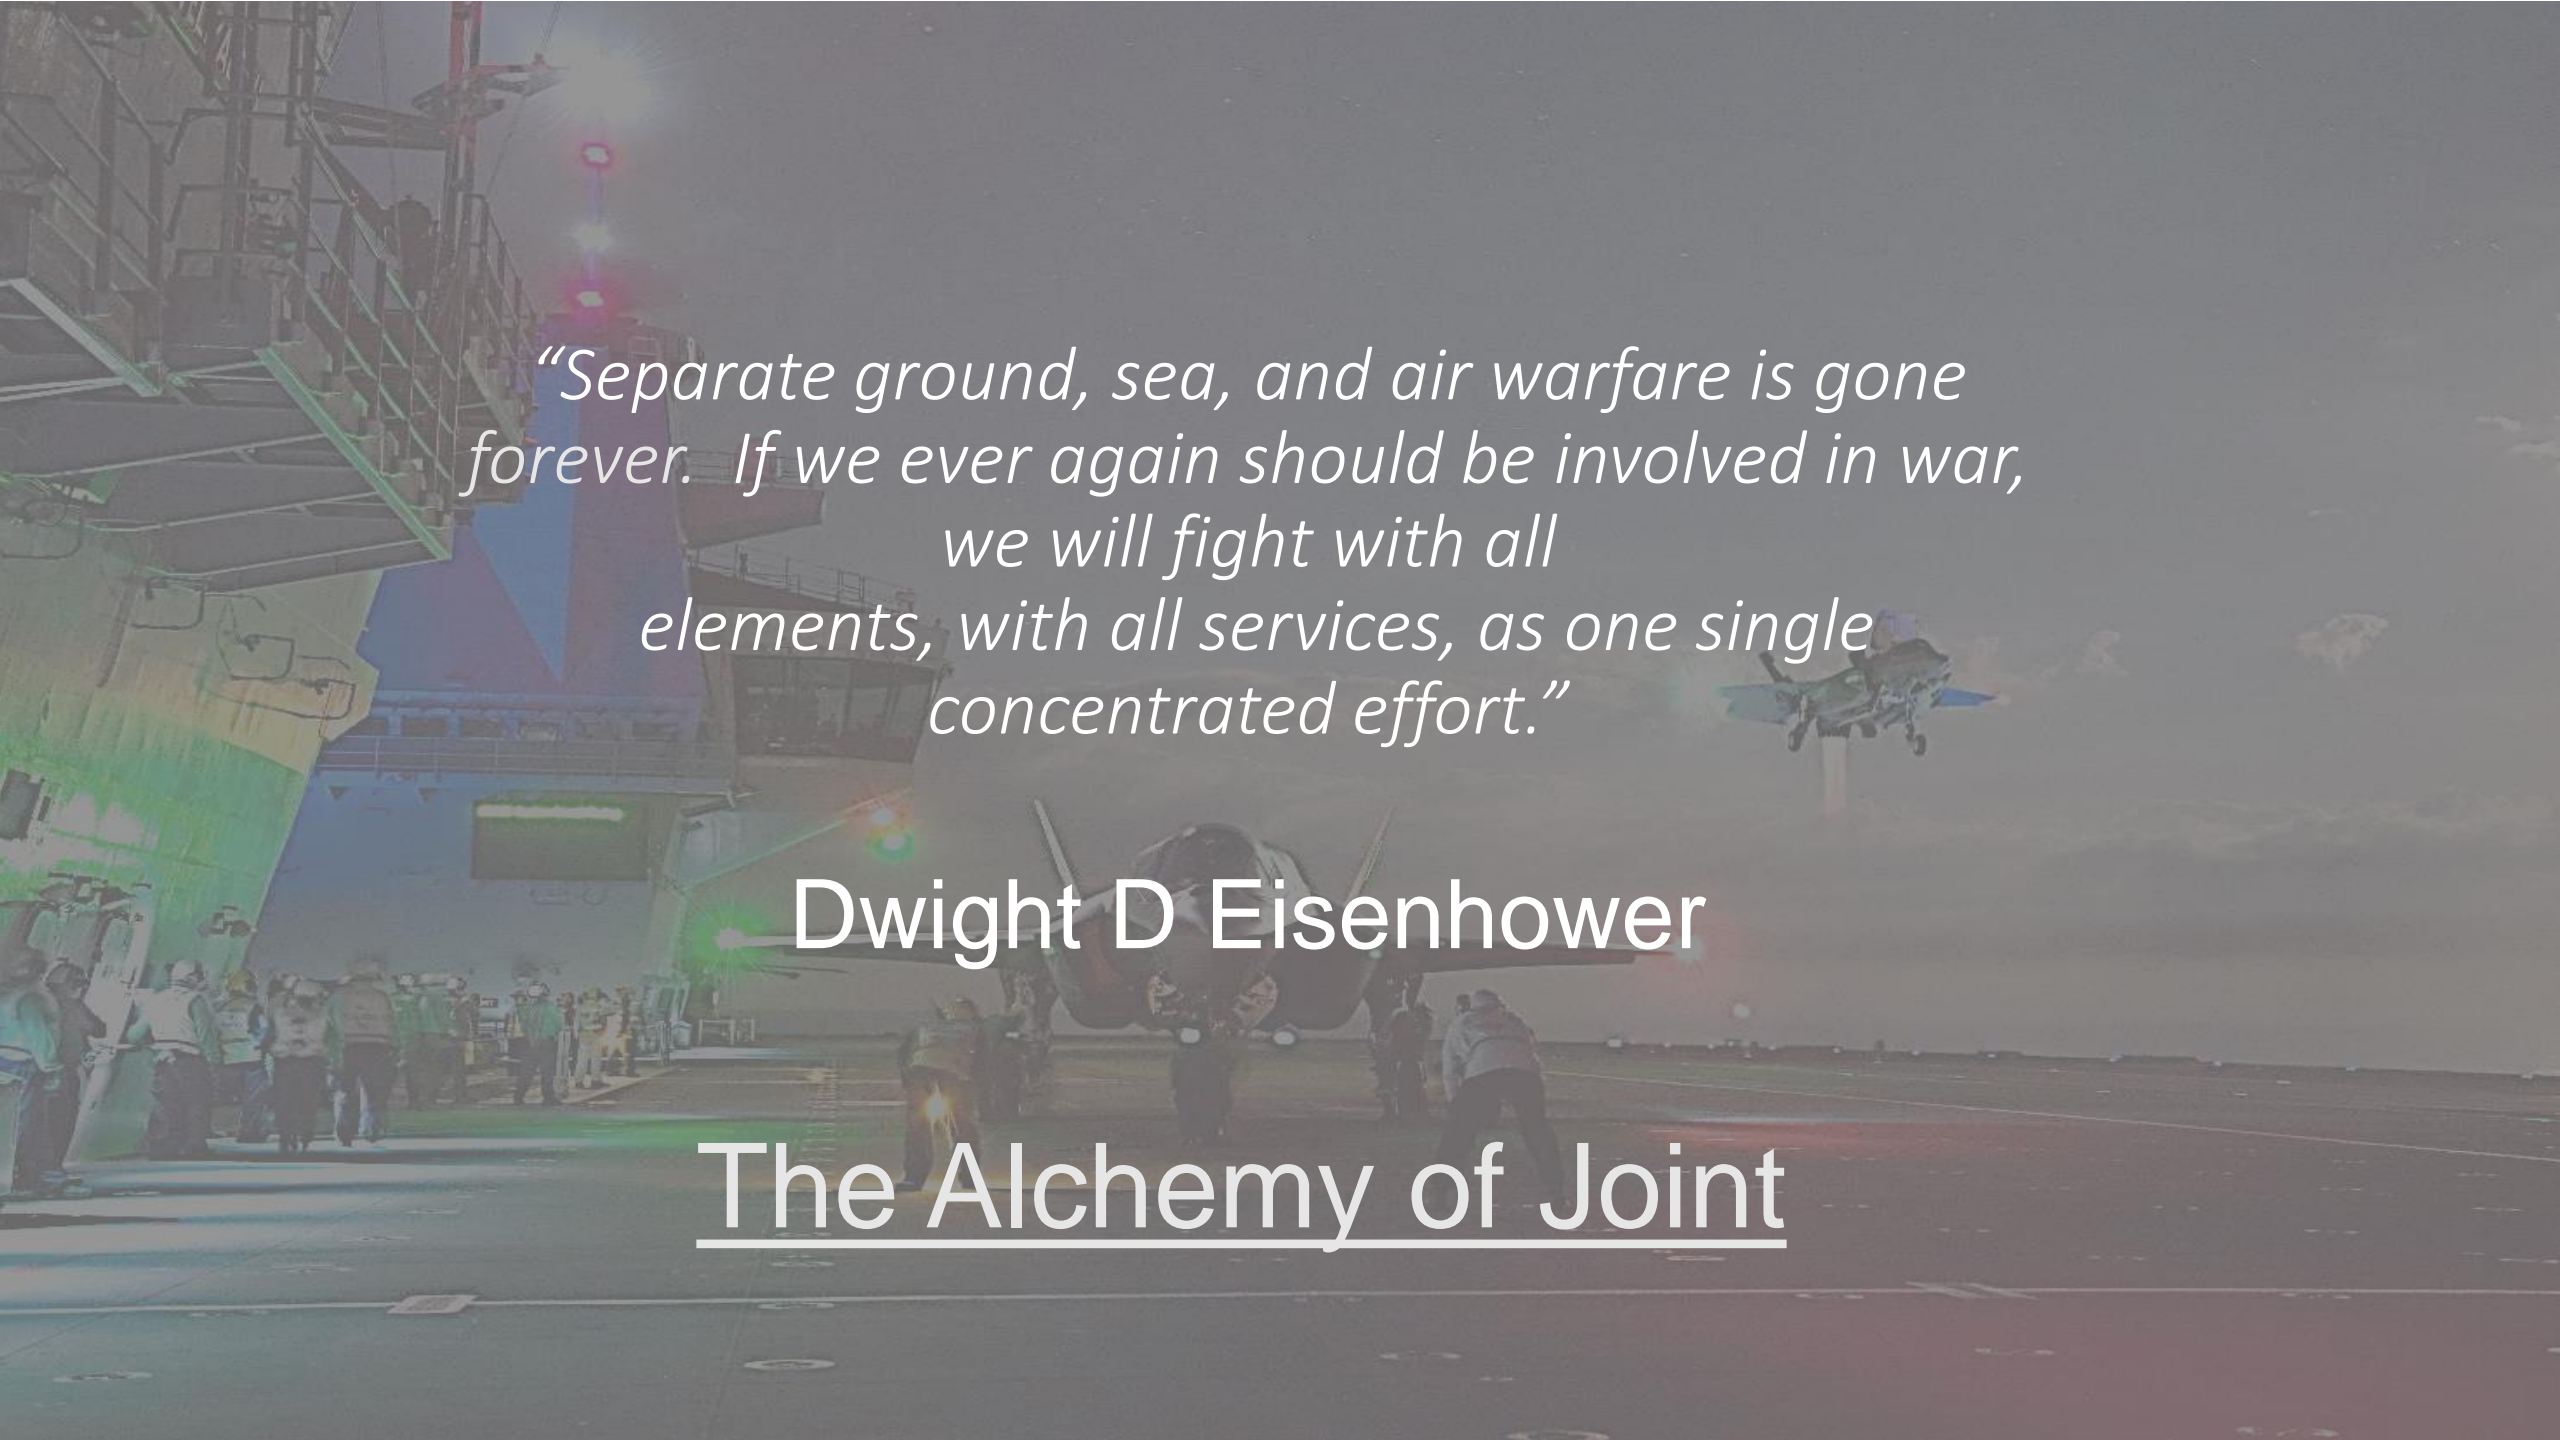

The opportunities afforded in programme processes to help set the conditions for multi-domain operations.

Scope

The background image shows an aircraft carrier's deck at dusk or dawn. In the foreground, an F-35 fighter jet is positioned on the runway, with several crew members visible around it. In the background, another F-35 is in flight, banking to the right. The sky is a mix of blue and orange, suggesting a sunset or sunrise. The overall scene is a busy, operational environment on a naval vessel.
